

Groups

There is no pre qualifying for the Dance Cruise with groups you do not have to audition nor attend a Hollywood Bound event, however we ask that all studios bring top quality acts being that other cruise guests will be watching your performances,

Cabins are booked on a first come basis and once we meet a quota of space available to group spots with performance space a cut off will apply and no more spots will open up for group performances.

To ensure fairness to the larger studios travelling on the Cruise we have set out a number of groups that you can bring on the ship according to the number of cabins you book as a studio.

BONUS OFFERS:

Teachers will receive their cruise fare free when they book 16 cabins as a studio.

First 100 dancers to book will also receive free on board workshops with the cruise ship dancers.

Guidelines for Dance Studios Regarding Performances

- Age groups Petite 8 under, Junior 9 to 11 years, Teen 12 to 14 years, Senior 15 over.

As this will be more studios performing groups, we will still offer a full solo event for 1 of the 4 days at sea that will also include the prestigious "Dancer of the Year" however the following will apply:

A max of 3 solos will be allowed to be entered per dancer "Hollywood Bound International Dance Cruise".

Solos

- Solo Dancers must qualify to compete & perform with their solos at the 2018 January Hollywood Bound Nationals.
- Solo Dancers must be attending and perform on the cruise with a studio performing in groups.
- Regardless if you have booked a cabin, Solo events are registered on a first come basis when registrations commence November 2017
- Dancer of the Year finalists will be chosen to perform in Battle of the Stars from the top 10 solo winners in selected age groups.
- You can only register your solos once you have booked and paid for your cabin in full via Destination Dance (registrations will be from November 2017)
- Please keep in mind, that if in the event that solo spots fill when registrations open November 2017, we need to ensure that dancers are still having the opportunity to be performing in group acts on board the Cruise ship.
- Hollywood Bound does not want to risk a situation where: Soloist attending the Cruise just for solos are then booking cabins to come on board to do 3 solos are then missing out on a spot on the solo allocation once registrations open.
- We also don't want to risk a solo only dancer not being able to register for a Hollywood Bound regional in 2017.
- We will keep assessing this as we move closer to the Cruise with how many groups we have traveling on the Cruise and could possibly open up more space for solos and once all studios travelling have registered their groups for the Dance Cruise, however this will not be known till after November 2017.

When booking your cabin you have agreed & understand to all these terms for solos listed here, as there is no refunds if you book and don't follow the dance cruise guidelines as to who is eligible to register an act
